4	Chairman's report – It's been a busy year for all on the community council; the chairman gave his thanks to everyone for continued support. We were sorry to lose the services of Sarah Macaskill during the year and were delighted to welcome Christine Brennan to the community council. The chairman gave many thanks to Drew Millar for his diligent work over the past year and his knowledge and expertise is a great help to our efforts for the community. Thanks also to the Dunvegan Trust – Mali, Katie, Jason, Sylvia and all the team for their unfailing support both financial and practical and for the efforts of the trust for the enhancement and wellbeing of our community. We are delighted to have seen the completion of the children's playpark – well done to all who worked so hard to achieve such a good outcome. We hope to see further progress towards the provision of our new school and housing development, with hopefully work getting underway on the school in the next year and housing in the not too distant future.
